OSA POLICY

It is the policy of OSA not to accept for publication work that has been previously submitted for publication or been accepted for publication, work that has been published elsewhere, or work for which acceptance for publication is pending. OSA may accept for publication work previously submitted and denied publication elsewhere. The Author(s) hereby agree to abide by this policy.

AUTHOR(S):

TITLE OF ARTICLE, PAPER, OR MANUSCRIPT ("WORK"):

SUBMITTING AUTHOR'S NAME AND ADDRESS:

In exchange for OSA accepting the work for reviewing, editing, and possible first publication on an exclusive basis and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Author(s) hereby transfer to the Optical Society of America (OSA) full ownership throughout the world of all rights, titles, and interests, including all copyrights and renewals and extensions thereof, in and to the above-titled Work and including the title and abstract of the Work, effective as of date of acceptance of this Work for publication in the above-named Publication. OSA shall have the right to register copyright to the Work and the accompanying abstract in its name as claimant, whether separately or as part of the journal issue or other medium in which such work is included.

The Author(s) also hereby agree that OSA may use his/her name, photo, or likeness in connection with promoting or advertising the work and any adaptation thereof, in the journal issue or other medium in which such work is included.

Author(s) Rights

OSA grants to the Author(s) (or their employers, in the case of works made for hire) the following rights. The

- (a) The right, after publication by OSA, to use all or part of the Work without revision or modification, including the OSA-formatted version, in personal compilations or other publications consisting solely of the Author(s)' own works, including the Author(s)' personal web home page, and to make copies of all or part of the Work for the Author(s)' use for lecture or classroom purposes;
- (b) The right to post and update his or her Work on any internet site (other than the Author(s)' personal web home

page) provided that all of the following conditions are met: (i) access to the server does not depend on payment for access, subscription or membership fees; and (ii) any such posting made or updated after acceptance of the Work for publication includes and prominently displays the correct bibliographic data and an OSA copyright notice (e.g. "© 2007 Optical Society of America, Inc.").

- (c) All proprietary rights other than copyright, such as patent rights; and
- (d) If the Work has been prepared by an employee within the scope of his or her employment or as a work made for hire, the right to make copies of the Work for the employer's internal use.

The Author(s) agree that all copies of the Work made under any of these rights shall include notice of the OSA copyright.

The Author(s) warrant that, to the best of the Author(s)' knowledge, belief, and expertise:

- (1) Author(s) are the sole Author(s) and sole holder(s) of all rights in the Work;
- (2) Author(s) have not previously assigned, pledged, or otherwise encumbered the Work;
- (3) the Work is original to the Author(s);
- (4) the Work has not been previously submitted for publication (unless the prior submission has been rejected unconditionally). Furthermore, the Work has not been published elsewhere, accepted for publication elsewhere, and is not pending acceptance or being considered for publication elsewhere;
- (5) the Work does not violate or infringe on any copyright or other personal or property rights of any third parties,
- (6) the Work contains nothing libelous or contrary to law;
- (7) any scientific knowledge contained in the Work is true and accurate;
- (8) Author(s) have obtained written consent as required for the use of any third-party copyrighted or unpublished material contained in the Work and will deliver the consent to OSA; and
- (9) the signing Author(s) have the full power to enter into this Agreement and to make the grants contained herein.

Author Certifications

The signing Author(s) represent that, if each Author(s)' signature does not appear below, the signing Author(s) sign this Agreement as authorized agents for and on behalf of all the Author(s), and that this Agreement and authorization is made on behalf of all Author(s).
